ORBITALFIRE
CYBERSECURITY

SERVICE OVERVIEW

AWARENESS TRAINING

Our Awareness Training service provides short, engaging educational videos and skills assessments resulting in improved awareness and security behaviors across the workforce. This service is typically combined with our Phishing Testing service which can verify the effectiveness of training campaigns.

BENEFITS

o   Improved employee awareness

o   Improved cybersecurity behaviors

o   Improved regulatory compliance

FEATURES

Monthly awareness training videos and skills assesments help to increase employee awareness.

o   Unlimited security training

o   Continuous workforce skills assessment

o   Custom training curricula that allows for tailoring of training content

o   "Passwordless" login reduces employee frustrations
