CYBERSECURITY

SERVICE OVERVIEW

INCIDENT RESPONSE TABLETOP

Our Incident Response Tabletop service provides customers with the opportunity to test and assess their Incident Response capability in a hyper-realistic, yet controlled and safe environment.

BENEFITS

Resilience

Reduce or eliminate downtime, disruptions, financial losses, reputational damage, and other harm by proactively increasing awareness of cyber threats and employee preparedness.

Peace of Mind

Enhance your incident response capabilities, incident response plan(s), and playbooks to better prepare how you can protect your money, data, and reputation in the event of an intrusion or compromise.

Compliance

Improve regulatory and contractual compliance as well as legal obligations.

FEATURES

OrbitalFire Incident Response experts lead customers through highly dynamic, interactive, and moderated simulations.

o 1 Half-Day Incident Response Tabletop (2 Scenarios)

o Coordinated Incident Scenario Planning and Preparation

o Expert-Led Tabletop Scenarios

o Live, Onsite, Interactive Simulations of Common Incident Types

o Post Tabletop Incident Response Plan Updates
