ORBITALFIRE
CYBERSECURITY

SERVICE OVERVIEW

vCISO ACCELERATOR

Our vCISO Accelerator service combines proactive cybersecurity program management with expert-led support across all cybersecurity domains.

BENEFITS

Enhanced Organizational Cybersecurity Support

Gain expert support creating deliverables, including Written Information Security Plans (WISP), cybersecurity policy, incident response plans, and third-party audits.

Improved Outcomes Across All Cybersecurity Efforts

Ensure high-quality, auditable review and execution of cybersecurity needs within the organization, and with your IT Provider.

Improved Regulatory Compliance

Satisfy 'separation of duty' requirements and improve regulatory compliance, as well as contractual and legal obligations.

FEATURES

Gain cybersecurity support and expertise tailored to the specific needs of your organization.

o   Proactive cybersecurity program management to ensure timely and effective program maturity and continuous improvement.

o   Expert-led cybersecurity efforts to ensure high-quality, auditable cybersecurity outcomes.

o   Flexible use of hours delivered monthly as a subscription, or one-time as a project.
